THE WEDDING DAY

ARRIVAL TIMES.....

The photographer will be at the church a full hour or more prior to the ceremony.

PRE-CEREMONY.....

The groom and Groomsmen should be ready one hour or more before the ceremony. They must be finished with pictures first so they can seat the guests. The parents of the Groom will be included in these photos too. The Bride, her parents and attendants must be ready 30-60 minutes before the ceremony.

CEREMONY.....

We will be photographing the couples as they walk down the aisle. The bride on her father's arm will be the last flash photo before the ceremony. We will be in the balcony or rear of the church during the ceremony taking pictures without flash, we do not want to disturb the ceremony.

FORMALS.....

The formals will take from 45-60 minutes after we get everyone back into the church. The Bride & Groom will go first, then grandparents and parents. The next groups will be brothers and sisters, and any god-parents or special guests. The last group to be photographed will be the wedding party.

OUTDOOR PHOTOS.....

These are free with our DELUXE, COMPLETE and BRIDE'S CHOICE packages. Please allow at least one hour for this session.

WEDDING PARTY.....

Please let the wedding party know that they are included in your day to do whatever they can to make your day perfect. It is not just another party for them, it is one of the most important days in your life, and their help is very important.

RECEPTION.....

Only about 20% of the photos will be taken at the reception, but they are still very important. The toast, cake cutting and dancing are all a part of our coverage. The garter and bouquet toss must take place within 30 minutes of the first dance. They are the last photos to be taken, now you and the wedding party can relax and enjoy the rest of the evening.

OUTDOOR OR THIRD LOCATION.

We offer this at no extra charge in our DELUXE & COMPLETE & BRIDE'S CHOICE Packages. All we ask is that you allow plenty of time for the photography. These are more 'moody' or 'romantic' locations and poses, so please, plan on the extra time, you'll be glad you did.

WE DO NOT CHARGE EXTRA FOR THE RECEPTION.

We believe that advertising wedding prices that do not include the reception is misleading. Our prices include up to three hours at the reception, more than enough time to get the photography you want.

WEDDING ONLY ALBUM There are a limited number of dates available for our special wedding only option. You will receive a CD with all of your images for only 750.00. These are limited dates so please call the studio to ask about your date.
